

ABOUT TIMESCO

Reputable brand.

As a family owned business, Timesco have been at the forefront of medical product design and innovation since 1964 and are recognised as one of the most progressive and innovative companies within the industry. We are proud to manufacture and supply an unrivalled portfolio of medical products to medical professionals in Anaesthesia, Surgery, Podiatry & General Medical.

End user satisfaction.

It's important that the end user is satisfied with the products that we supply. From concept through to design and manufacture, our aim is to deliver products made to exceed internationally recognised quality standards and customer expectations. Check the quality for yourself and request a free sample by calling us on: +44 (0)1268 297710.

Convenient logistics.

All of our products are available to order direct with our dedicated sales department who can be contacted via live chat, phone, email and fax. Alternatively, you can order via the NHS Supply Chain online catalogue. Simply choose the most convenient solution for you.
