

QUALITY POLICY

Quality Policy Statement

“Timesco is committed to providing innovative, safe and quality products with excellent after-sales service to meet and/or exceed our customer expectations.”

Our commitment is demonstrated through:

- Challenging ourselves to continuously improve the quality management system through the review of quality objectives and results.
- Developing a competitive and differentiated product portfolio that delivers tangible benefits to clinicians and patients.
- Nurturing a quality culture with the objective of developing and providing products and services that are trusted and preferred by our customers.
- Promoting quality responsibilities amongst all employees through effective communication.
- Complying with applicable regulatory and internal requirements.

We ensure these commitments are adopted throughout the organisation and reviewed on regular basis for suitability.
